PRICE ONE CENT.

NEW YORK, SATURDAY, DECEMBER 17, 1892.

Jumped Into the Bay to Avoid a Falling Wall.

Only One of the Fifteen Was Seriously Injured.

One of Arnott's Stores in South Brooklyn Entirely Destroyed.

A fire that caused nearly half a million dollars' damage and great danger to human life But Will Resume May 13-Vote of in David F.Arnott's cotton warehouse at the foot of Twenty-seventh street, South Brook-

the building into the bay by the falling of a while reserving final judgment on the quesas can be ascertained no one was killed.

Among the injured are: Fire Chief NEVINE, jumped into water; slightly

HUGH LAPPERTY, twenty-five years old, of 502 stones; spine and right hip badly injured; taken next.

Some of the men heeded the warning and jumped into the bay. The others were knocked into the water by the failing debris.

Among those who jumped was Fire Chief Nevins, with several of his firemen companions. The speciators feared (thef Nevins) look. The speciators feared (thef Nevins) and the Board of Manual State Some action towards his removal. lons. The spectators feared Chief Nevins would surely be killed, as the fragments of the failing wall fell into the water behind him. He soon came to the surface, however, and was pulled upon a tug and taken ashore. Fire Doctor Robbins examined him and found him only slightly bruised. The plucky thief at once returned to his cuties, although

People who do business in the neighborho menace and bulged at least five feet before feet long and 50 feet high.

The first section of the warehouse constant 5,000 bales of cotton and a large quantity of bagging, valued at over \$300,000. The loss to the building is estimated at \$75,000 and the total loss at over \$400,000. The loss to the building is estimated at \$75,000 and the total loss at over \$400,000.
